

# REPORT

By - Naviyaa Poonia

The topic chosen is Travel and Tourism.

Link to Tableau Public profile is in the Readme file in the GitHub repository.

The data chosen to be represented by Tableau is the statistics available for Foreign Tourist Arrivals (FTAs) in India.

## Representation of FTAs in India from the year 2001 to 2018 according to their genders:

The first three vizs are used to represent the stats on the FTAs in India during the year 2001 to 2018, and the percentage of the gender distribution given.

The categories for the gender distribution are three: Male, Female and Not Reported.

According to the data given, the maximum number of arrivals has been in the year 2018 (10, 557, 976). During this year the percentage of male (58.60%), female (41.40%) and non-reported (0.01%) arrivals are as mentioned. The year with the least FTAs in India is 2002 with 2, 384, 364 arrivals. Percentage of male (50.20%), female (27.50%), and non-reported (22.30%) distribution is as mentioned.

## Representation of the FTAs in India in the year 2018 according to nationality and age-group:

The last two vizs are used to represent the stats on the FTAs in India in the year 2018 and the distribution is done according to their nationality (the numbers) and age-wise (number of each age range present).

The data available in the dataset contains the number of arrivals, the countries, the categories (of the countries into regions) and the percentage of people in each of the given age-groups.

The category of countries with the maximum arrivals in India during 2018 is South Asia.

The numbers are as given below:

Category:	<b>South Asia</b>
0-14:	<b>75.5</b>
15-24:	<b>116.1</b>
25-34:	<b>210.6</b>
35-44:	<b>184.7</b>
45-54:	<b>149.0</b>
55-64:	<b>104.3</b>
65 and Above:	<b>59.8</b>
Arrivals (in Numbers):	<b>6,208,844</b>

The category of countries with the minimum arrivals in India in the year 2018 is Central & South America (excluding the non-classified category). The figures are as given below:

Category:	<b>Central &amp; South America</b>
0-14:	<b>14.5</b>

15-24:	<b>33.2</b>
25-34:	<b>140.5</b>
35-44:	<b>113.8</b>
45-54:	<b>82.5</b>
55-64:	<b>74.9</b>
65 and Above:	<b>40.6</b>
Arrivals (in Numbers):	<b>202,170</b>

The country Bangladesh has been the biggest contributor for the FTAs in India in the year 2018 with 2, 256, 275 arrivals.

The least number of FTAs in India in the year 2018 have been from the country Hungary with 9, 201 arrivals.
